

Our products and managements systems are independently assessed by the British Standards Institute (BSI) and we hold several product Kitemarks which you are able to use in your adverts and marketing literature providing that you display the KM license numbers used below.

BS EN12608 – Kitemark for the PVC profile system

BS EN1279 – Kitemark for the manufacturing of sealed units

BS7950/7412 – Kitemark for improved security windows

BS7412 – Kitemark for the manufacturing of PVCu windows

BS EN12600 – Kitemark for processing of toughened glass

As well as the five Kitemarks above we are also members of Secured by Design, a scheme run by the Association of Chief Police Officers and the MACO security scheme. You are allowed to use this logo in your adverts and marketing literature.

We also have a number of other accreditations which unlike the Kitemarks are registered to the Company rather than the products and you therefore cannot use these in your adverts and marketing literature.
